Dear Mark:

RE: Native No. 1, Project S/047/036, Uintah County, Utah ML 7920

Thank you for your letter of July 31, 1989. The Division of State Lands and Forestry requires more information than is contained in your Notice of Intention to DOGM. Please provide this office with all of the information outlined in my enclosure. The Division will then consider your proposal and advise you of the amount of bond to be required.

Also, please note a discrepancy in the State lease information provided to DOGM. Lease ML 7920 includes the NE $\frac{1}{4}$ of Section 36, Township 5 South, Range 21 East, but ML 35709 does not include any of the lands described in your project location. The NW $\frac{1}{4}$ of Section 25, Township 5 South, Range 22 East, is not State land.

Sincerely yours,

JOHN T. BLAKE
